LETTER

Assistant Commissioner for Patents
Washington, D. C. 20231

October 2, 2002

Sir:

In response to the Notice of Non-Recordation dated September 24, 2002, Applicant respectfully submits that the Notice has been erroneously sent. As the Examiner will note, we replied to a Notice of Non-Recordation dated July 18, 2002, informing the Assignment Division that the Assignment attached to the Chain Showing Chain of Title was just a copy accompanying this form, as indicated on page 2 of the Certificate Showing Chain of Title (copy enclosed), which is an attachment to the Revocation of Power of Attorney, Substitute Power of Attorney, and Change in Correspondence Address filed on April 19, 2002 (copy enclosed).

Therefore, the Applicant respectfully request that the Examiner indicate to the Assignment Division that the Notice of Non-Recordation dated September 24, 2002 has also, again, been issued erroneously. The Assignment form for this application has been filed and recorded in the U.S. Patent & Trademark Office on April 19, 2002, with a Reel/Frame of

012814/0321, and therefore, no further action is required with regard to the recording of the Assignment.

The Applicant respectfully request that the Examiner indicate that the enclosed copies of the Revocation/Power of Attorney..., and Certificate Showing Chain of Title, be made part of the record of the present application, and acknowledgement thereof be sent to our office.

To expedite the prosecution of the present application, if the Examiner has any questions, regarding this Letter, please contact Mr. Joseph A. Kolasch, Registration No. 22,463 at (703) 205-8000 in the Washington, D.C. area.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees required under 37 CFR \$1.16 or under \$1.17; particularly, extension of time fees.

Respectfully submitted,
